“Construction Solutions for the Future”

MISSION STATEMENT

To provide quality construction services at competitive rates while honoring Jesus Christ in our approach to diligently serve our clients in attaining their goals and aspirations.

Project Highlights

Construction has continued to progress on a good pace at the corner of Columbia and Second Streets in Lafayette due to the mild winter weather for the mixed use development “101 Main”. Titan Construction & Engineering is closing in on completion of the concrete and steel erection contracts for this project being built in conjunction with Deylen Development and Edwards - Rigdon Construction. The facility will consist of (99) residential apartments, parking garage for (140) vehicles, with the anchor tenant being the local commercial lending branch for the Old National Bank Corporation.

Employee Bio

Jeff Smith
Technical Services
Manager

Jeff started his career with Titan C&E in 1996 in the position of Field Crews Manager and has since been promoted to our Technical Services Manager overseeing the areas of project management and supervision, and the CAD design/drafting services. He has an extensive background in Human Resources management and construction experience. He and his wife Nancy live in Rensselaer; they have 5 children and 7 grandchildren.

Titan Construction Employees Partner with Food Bank

Thanks to a generous gift from the Titan C&E employees they were able to provide the financial support for Food Finders Food Bank of Lafayette to come to our facility and distribute food assistance to over 140 families from Jasper County and the surrounding areas. Food Finders partners with many local Agencies in 16 counties to help meet the needs of families seeking assistance. In 2015 they distributed over 7,500,000 lbs of food at their Lafayette facility, 1,700,000 lbs through their mobile pantry project.
